About the MloD

The Myanmar Institute of Directors (MloD) is an independent organisation promoting corporate governance standards and best practices in Myanmar, founded in March 2018.

Governed by a board of directors drawn from a diverse group of business leaders and advocates of good corporate governance in Myanmar, the Institute aims to advance board professionalism, promote business ethics and transparency, create networks between corporate leaders and stakeholders, and boost investor confidence in Myanmar's private sector.

Why join the MloD?

“

The MloD is the voice of the directors community and the organisation that sets the standards for governance in Myanmar. An MloD membership confers the prestige of belonging to the leading community of directors and corporate leaders and signals your commitment to professional excellence and conduct. Our members receive continual support throughout their directorship and governance journey through world-class courses, tools and resources and access to fellow companies, directors and thought-leaders.
