

Director Certification Program (DCP) Batch 19

13 – 14 and 20 – 21 June 2026 | Novotel Yangon Max

Agenda Details

Saturday, Day 1 (13.6.2026) - In person	
8:30 am - 9:00 am	Registration, Networking with Breakfast
9:00 am - 9:30 am	Opening Remarks and getting to know each other Faculty: Daw Khine Khine Nwe
9:30 am – 10:30 am	Introduction to Corporate Governance Faculty: Daw Khine Khine Nwe This will introduce what corporate governance is and explain the business case for good corporate governance. The emphasis will be on going beyond mere compliance and exploring how good governance can drive shareholder value in your organization. It will also highlight international CG standards and their relevance to Myanmar.
10:30 am – 10:45 am	Coffee Break and Networking
10:45 am - 1:00 pm	Board's Roles and Responsibilities Faculty: Daw Thuzar Win This session will explore how to create effective boards. It will cover board roles and responsibilities, the board's role vs management, and the board's role in strategy and company oversight.
1:00 pm - 2:00 pm	Lunch Break
2:00 pm - 3:00 pm	Board Composition and Structure Faculty: Daw Khine Wai Thwe Topics will cover Board composition (e.g., board size, qualifications, skills and expertise, diversity), Board objectivity and director independence, Board committees and their functioning, and board dynamics. It will also consider how shareholder rights are protected.
3:00 pm - 3:30 pm	Coffee Break and Networking
3:30 pm - 4:30 pm	Board Composition and Structure (continued) Faculty: Daw Khine Wai Thwe
End of Day 1	

Sunday, Day 2 (14.6.2026) – In person

8:30 am - 9:00 am	Registration, Networking with Breakfast
9:00 am – 10:30 am	Overview of Corporate Finance Faculty: Daw Kim Chawsu (Online) An overview for Directors on the main issues of corporate finance.

He is also a visiting faculty at private and government universities teaching various topic in finance and management. He has strong management experiences in banking and diverse business sectors, foreign JV, and NGOs. He has been actively participating in capacity building of the communities and CSR activities

Daw Win Win Tint is an award-winning Myanmar businesswoman. Win Win, at the age of just 21 assumed the management of City Mart Holding Company Limited (CMHL), a recently formed family company. At that time, CMHL operated just a single supermarket in central Yangon. Despite facing difficult economic and political conditions, Win Win built the business into the largest multi formats retail company in Myanmar. Meanwhile, the group founded other market leading businesses in the Distribution & Logistics and Real Estate sectors.

With the renewed vision of creating more value for our communities, the group has recently launched City Holdings with Win Win as Group Chief Executive Officer. City Holdings strategic interests are to further strengthen the group's existing network in Retail, Distribution & Logistics, F&B and, Real Estate as well as pursuing opportunities in complementary sectors including Agriculture, Food Manufacturing, Technology and Finance. With common goals, entrepreneurial spirit and shared values, City Holdings will enable each of our business to reach more customers, offer more opportunities for our colleagues and contribute even more to communities.

Win Win has been recognized for several international honors and awards. In 2012 she was appointed a Young Global Leader by the World Economic Forum. In 2015 she was ranked by Forbes Magazine as one of the 50 most powerful businesswomen in Asia-Pacific. She has also found success in the ASEAN Business Awards: in 2014 she won runner up in the Woman Entrepreneur Award and in 2016 she won the Young Entrepreneur Award. In Addition, Win Win is serving as the Honorary President of the Myanmar Retailers Association.

Daw Thuzar Win is a Certified Director, Corporate Governance Consultant, and seasoned business leader with more than 20 years of experience in strategic leadership, business development, and organizational transformation.

She currently serves as Executive Director of Alpha Power Engineering Co., Ltd. and Independent Director at Early Dawn Microfinance, while also contributing as an Advisory Board Member of Golden Corn Enterprise Co., Ltd. Her leadership extends to prominent business associations, where she serves as Vice President of MYANWEN, a Central Executive Committee Member of UMFCCI, and Board Member of CCI France Myanmar.

Throughout her career, Thuzar has led high-impact initiatives in strategic planning, corporate governance, commercial negotiations, and people development. She successfully drove a 30% increase in sales through strategic brand positioning and contributed to a 25% growth in project sales over four consecutive years. A strong advocate for ethical leadership and inclusive workplaces, she played a key role in advancing Diversity & Inclusion initiatives, earning recognition through the ASEAN Business Award.

An alumna of the USAID Women Director Program (WDP), Thuzar holds an MBA from the University of Bradford (UK) and has completed executive leadership programs at Harvard and INSEAD.

As a business strategist, Thuzar brings practical, board-level insight combined with real-world business experience. She is passionate about corporate governance, women's leadership, strategic growth, and building high-performing organizations.

Dr. Tun Thura Thet is the Chief Solutions Architect at Nirvasoft Pte Ltd, a Singapore-based regional software company specializing in enterprise solutions and digital innovation. He was also the founder and executive chairman of Myanmar Information Technology (MIT) Pte Ltd, the leading software development and system integration company in Myanmar.

Dr. Tun was a special guest speaker at the NTU Convocation in 2015 and received the NTU Alumni Achievement Award in 2021 from Nanyang Technological University, Singapore. In academia, he serves as a visiting professor and lecturer at Yangon University of Economics, Meiktila University of Economics, and the University of Computer Studies, Yangon, where he teaches in the Executive Master of Business (EMBA), Executive Master of Banking and Finance (EMBF), and Master of Computer Science (MCSc) programs. As an academic, Dr. Tun has published several research papers in the fields of sentiment analysis and machine learning.

Dr. Tun co-founded and served as a director of the Myanmar ICT Development Corporation (MICT Park). He was also an elected director of the Myanmar Institute of Directors (MIoD) and an independent director of the Myanmar Credit Bureau. Dr. Tun founded MIT in 1997 and is considered one of the pioneers in Myanmar's then-nascent field of information technology. MIT provides ICT services in banking, retail, hospitality, healthcare, and digital innovation across Myanmar and regional markets. MIT was the winner of the ASEAN Business Award for the e-ASEAN sector in 2015 and the ASOCIO 2018 Outstanding ICT Company Award.

Daw Kim Chawsu is a board director and governance leader with over 20 years of international experience across Asia Pacific and the UK, spanning banking, financial services, and institutional governance.

She has served in independent director roles across multiple sectors, bringing deep expertise in financial restructuring, strategic oversight, and risk governance. Her background in external audit and global financial institutions in New Zealand and London underpins her strong command of internal controls, performance discipline, and executive accountability.

As Founder of K. Academy, a Myanmar-based capacity-building initiative, Kim is committed to strengthening board and senior management capability across the banking and finance sectors. She partners with CEOs, Chairs, and Boards to enhance financial sophistication, drive sustainable profitability, and embed robust governance frameworks.

Kim currently serves as an Independent Director for several organisations, guiding businesses through complex transitions, strengthening financial oversight, and aligning governance with long-term strategic value creation.

She is a Fellow Chartered Accountant (FCA), holding dual fellowships with the Institute of Chartered Accountants in England and Wales (ICAEW) and Chartered Accountants Australia and New Zealand (CA ANZ). She is also a Fellow Director of the Thai Institute of Directors and a Board Director and faculty member of the Myanmar Institute of Directors.

A dedicated mentor and educator, Kim is passionate about developing the next generation of finance and governance leaders across the region.

Daw Thin Thin Myat is a certified public accountant with 20+ years of combined experience in various business organizations, international non-government/non-profit organization, and International Development Institutions, in Myanmar and in Ethiopia.

Thin Thin has been working for International Development Institution in the capacity of Head of Finance and Administration. Main responsibilities include financial planning, financial management of country office and make sure control environments are strong. Take advisory and oversight roles to non-finance staff in the areas of system and procedures implementation.

Started career with the business accounting application developer, specialized on implementation of accounting system for different ranges of business organizations, including accounting system design, development of systems and procedures, payroll processing, inventory control and management reporting for many business organizations from different industries.

In addition to working with business organizations, she had been practicing in budget proposal, budget planning and monitoring, financial management in international non-government/non-profit organization and international development institutions locally in Myanmar and internationally.

Thin Thin received the first degree, Bachelor of Commerce, from Yangon Institute of Economics and became Certified Public Accountants granted by Myanmar Accountancy Council. She has designation of CGMA, Chartered Global Management Accountants and ACMA, Associate Chartered Management Accountants from CIMA, the Chartered Institute of Management Accountants.

I am **Myo Min**. I graduated with a degree in Electrical Engineering. My first job was somewhere else, but life always has its twists and turns – I ended up becoming an officer. Since 2012, I have been serving at the Directorate of Investment and Company Administration (DICA), where I first encountered a law-based working environment. Legal reform, procedural reform, and system reform had happened in DICA—these are the areas I had been involved in, particularly on the implementation of the Myanmar Companies Law 2017 with electronic registry Myanmar Companies Online MyCO. Now, thanks to those experiences, I'm planning to sell sand in the desert. I am serving as a director at the Bago regional office, DICA.

Daw Min Min Ayer Naing works at SCM Legal as a partner position since August 2018 following extensive experience at international law firms, Baker & McKenzie for 5 years and Kelvin Chia Yangon Ltd for more than 10 years, recently set up Ayer Legal Services to specialize IP related matters while assisting SCM Legal. She got over 20 years legal experience with both local and international transactions to provide effective and efficient professional legal services.

Min Min has special expertise in foreign direct investment in Myanmar while liaising government officials in different government departments to facilitate progress for foreign investors and local clients. She advises on a wide variety of corporate and commercial works, banking, corporate finance, compliance, regulatory, employment and licensing of foreign investment set up in Myanmar.

She got her master of Business Law and post graduate diploma of law from Yangon University and post graduate diploma in laws (corporate and commercial) from University of London in addition to LLB degree. She also attended arbitration courses conducted by Union of Myanmar Chamber of Commerce and Industry UMFCCI and authorized IP agent courses conducted by IP Department of Myanmar, Ministry of Commerce and WIPO.

She is also a member of ASEAN IP Association and Asia Patent Attorney Association, actively participate in these regional Associations with other Myanmar leading IP lawyers.

Mr. Nicolas Delange is the founder and managing partner of Yever, a consultancy offering custom-made solutions to corporate leaders. Since 2016, Yever has worked with Myanmar companies to make their practices smarter, stronger and more sustainable. Yever has a strong track-record in Myanmar: we supported 20+ Myanmar organizations and entrepreneurs to enhance their business. Yever is also MCRB's partner for Pwint Thit Sa. Nicolas works as IFC's consultant on corporate governance: he contributed to establish the first Myanmar Corporate Governance scorecard together with the SECM, DICA and YSX.

Before creating Yever, Nicolas used to lead the Sustainability Advisory team of EY in Paris. He has strong consulting experience, helping the largest French companies to include sustainability in their corporate strategy. He specializes both in developing messages that enable companies to communicate their results efficiently to their stakeholders and in improving the sustainability of their business model. He also has expertise in leading stakeholder panels, training and raising sustainability awareness. Nicolas acquired the skills necessary to drive IT projects, especially on issues concerning customer relationship management. He has conducted studies on innovative topics: the carbon footprint of banks, trends in non-financial communication and integrated reporting.

Nicolas holds an MA in Global Communication and a Masters degree in HR Management and Communication from Paris Sorbonne University. Nicolas is a Director of CCI France in Myanmar and Chairman of EuroCham in Myanmar.

U Thet Htun Oo received a Bachelor of Economics (Statistics) from Yangon University of Economics in 1984. He obtained a Diploma in Computer Science (D.C.Sc) from Yangon University of Computer Science in 1997, and a Master of Development Studies (M.Dev.S) from Yangon University of Economics in 2011.

He has over 30 years of experience in the banking and finance field. He is a founding member of the Myanmar Securities Exchange Centre (MSEC) and the Yangon Stock Exchange. He worked at MSEC for 19 years before being transferred to the Yangon Stock Exchange as Executive Senior Manager in November 2015, where he served until his retirement in 2024. Since June 2024, he has been serving as Deputy Managing Director of CB Securities.

He has been actively contributing to financial education by writing business and economic literature in journals and magazines, publishing books related to the stock market and business, delivering stock market educational programs through television channels, and participating in training courses on financial markets.

In 2012, he received the Htun Foundation Literary Award (Economics) for his book “Handbook of Stock and Share Market”, and in 2015, he was again honored with the Htun Foundation Literary Award (Economics) for his book “Public Companies, Stock Exchanges and Investment Markets”.

In 2025, he received the National Literacy Award for his book “The Essential Small Business Guide to Financial Management,” which was published in 2024.

Daw Khine Wai Thwe is a Certified Director and Faculty Member of the Myanmar Institute of Directors (MioD) and a USAID Women Corporate Directors alumna. She brings extensive expertise in corporate governance, compliance, and regulatory engagement through senior leadership roles in leading Myanmar companies as well as multinational organizations including International SOS and British American Tobacco (BAT).

She previously led the government relations department at Yoma Group, aligning regulatory strategies with business objectives to support sustainable growth for listed entities Yoma Strategic Holdings (YSH) and First Myanmar Investment (FMI), alongside their development initiatives. Prior to that, as Chief Corporate Affairs Officer and Company Secretary at Digital Money Myanmar Ltd. (Wave Money), Khine was responsible for corporate governance frameworks, regulatory compliance, stakeholder communications, and fostering strong relationships with regulators and partners.

A passionate advocate for diversity and inclusion, Khine has partnered with the Business Coalition for Gender Equality (BCGE) and collaborated with EuroCHAM, AmCHAM, and BritCHAM to promote responsible investment policies and improve ease of doing business. Through her work with the Global System for Mobile Communications Association (GSMA), she has advanced digital financial literacy to empower MSMEs in Myanmar.

As an Executive Committee Member of the Myanmar Women Entrepreneurs Network (MYANWEN), Khine actively supports women entrepreneurs by providing mentorship and practical resources focused on empowerment and growth.

Beyond her professional commitments, Khine embraces the Rotary spirit of “Service Above Self” as a dedicated Rotarian. She also enjoys traveling and fashion.
