

MIO D Learning Series

CORPORATE CITIZENSHIP FOR FUTURE LEADERS

Building Governance, Accountability and Service Culture Across the Organisation

ABOUT THE PROGRAM

This one-day program is designed specifically for mid- to senior-level managers and will equip them to:

- Understand how their individual roles support the organisation's long-term success
- Strengthen a mindset of ownership, accountability, and service
- Improve collaboration across departments and functions
- Build structured communication and reporting habits
- Recognise and reduce operational risk through everyday discipline
- Take pride in contributing to a principled, high-performing company culture landscape.

CURRICULUM CONTENTS

- Governance Starts with Me – What governance really means and how it shapes daily decisions
- From Executor to Steward – Task ownership, professional integrity, and delivering on time
- Working Across Silos – Building awareness of interdependence and improving collaboration
- Structured Communication & Reporting – Why reporting and escalation are governance in action
- Service Culture – Serving stakeholders, internal and external, with consistency and pride
- Governance & Risk Awareness – Recognising how informal practices lead to risk
- Personal Governance Commitment – Reflections and action plans for immediate change

WHO SHOULD ATTEND

- Mid- to senior-level managers
- Operationally experienced but with limited exposure to structured governance practices
- Future leaders who can influence company culture from their current positions

LANGUAGE

Myanmar and English Language Program
